

MassSaves

Financial Health and Wellness Summit

Event Information

WHAT:

The MassSaves Financial Health and Wellness Summit is an annual event for teachers, financial educators, community practitioners and supporters from all backgrounds to network, share and learn to improve financial education. Participants work with youth and adults with a vision to make Massachusetts a national model for financial confidence and empowerment, creating a stronger financial future. Register [here](#).

DATE:

Friday, April 27, 2018

TIME:

9:00am-4:00pm

LOCATION:

Framingham State University, Framingham, MA

AGENDA:

Networking

Exploring the Health and Wealth Connection

Workshops & Panels (AM and PM):

- College Success and Debt
- The Finances of Women
- Case Studies: Incorporating Resources and Tools into Your Work

Lunch

Learning from Financial Education Victories from Across the U.S.

ATTENDEES:

Financial educators, community leaders and corporate partners from various parts of New England who work with thousands of clients and believe in quality financial education. Our attendees are passionate about various wealth and asset development issues, including personal finance and safe and affordable financial products.

ABOUT MASSSAVES:

MassSaves provides financial education, resources and advocacy for individuals and families looking to achieve financial stability and build wealth. MassSaves is a broad network of public and private stakeholders including financial educators, providers, community organizations and advocates. Members engage with one another in a variety of ways including trainings and events as well as creating and sharing financial education and resources on MassSaves.org for consumers. MassSaves is an initiative of The Midas Collaborative, a statewide non-profit organization that advances the financial security of low and moderate income families in collaboration with member and partner organizations.
